

March 2024

Dear Friends, Supporters and Intercessors,

- We thank God for your consistent support as we continue to focus on prayer. Our vision to pray with missionaries, pastors and ministry leaders continues to expand through our weekly corporate prayer, visits and encouraging younger believers to hear from God as He shares His heart for new workers in the harvest.
- This past Valentines month of February we were able to bless over 40 **widows** with either roses, a mini heart cake, home made sweets plus a personal visit or sending them a gift card in the mail with an encouraging letter.
- At right are two special ladies we got a picture with: **Tonya and Brenda**.
- **Jennifer Hudson** came for corporate prayer this month. Jenn is on her way to the Philippines and Kenya for short term missions service.
- **Barbara Davis**, Platteville, WI on her 102nd birthday. A lifelong friend and monthly supporter, she still drives to her church and Wal-Mart. She is one of the most lovely widows, spry, alert and usually has a cute saying written on her card to encourage us or make us laugh.
- **Savanna Morgan** and her friend Lanae were able to come for a corporate prayer time. She plans to return to JAPAN in a few months for a year of service.
- **Daniel, Julia, Lola and Huey Owens**
Global Gates missionaries
were able to share highlights of their recent trip to Bangladesh at our corporate prayer. Pastor Bill and Huey (12) were able to exchange mission stories which was such an inspiration! Huey told the story of Zaccheus several times to different groups of Muslims as his family traveled in Bangladesh.
- **Jonathan, Brittany, Benjamin and Blake**, missionaries to Montenegro have recently arrived. Pray with us about sending and supporting a Prayer Task Force Mission team to their country this fall.
